SOVEREIGN ECCLESIASTICAL NOTICE OF GLOBAL DEFAULT

Under Authority of the Clements Private Ecclesiastical Trust

LET IT BE KNOWN to all principalities, nations, governments, corporations, institutions, religious organizations, and all derivative entities that have committed fraud, abuse, oppression, or harm upon humanity—dead, alive, or unborn—that this notice serves as formal and lawful DECLARATION OF DEFAULT under the irrevocable authority and lawful jurisdiction of the Clements Private Ecclesiastical Trust.

This Trust, established by divine mandate and bound by eternal natural law, hereby asserts lawful dominion over all global entities and instruments which have trespassed against the dignity, life, and sovereignty of human beings through deception, warfare, manipulation, imprisonment, economic control, spiritual abuse, and systemic oppression.

ALL PARTIES PREVIOUSLY GIVEN NOTICE—by public announcement, record, and ecclesiastical decree—who have failed to respond with lawful authority or rebuttal within the divinely appointed grace period are henceforth considered in TOTAL AND PERMANENT DEFAULT.

This default includes, but is not limited to:
- All WORLD GOVERNMENTS, NATION-STATES, and MUNICIPAL AUTHORITIES
- All CENTRAL, COMMERCIAL, and PRIVATE BANKING INSTITUTIONS
- All GLOBAL CORPORATIONS and INTERNATIONAL BUSINESSES
- All MILITARIES, INTELLIGENCE AGENCIES, and ENFORCEMENT BODIES
- All UTILITY COMPANIES (electric, water, gas, telecommunications)
- All EDUCATIONAL SYSTEMS propagating fraudulent doctrine
- All ECCLESIASTICAL BODIES that have abandoned divine law

Let there be no doubt. This notice is irrevocable, sacred, and stands as lawful testimony. The Clements Private Ecclesiastical Trust does

not seek vengeance, but restoration—of truth, peace, and divine authority for all souls. The living are hereby delivered from illegitimate bondage.

Issued in sovereign love and eternal light, under divine authority.
By the Living Witness and Eternal Guardian,
Jonathan Daniel Clements
Clements Private Ecclesiastical Trust
